INDEPENDENT AUDITOR'S REPORT

Board of Directors
Priests for Life, Inc.
5211 S Washington Avenue
Titusville, FL 32780

We have audited the accompanying financial statements of Priests for Life, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2018 and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Priests for Life, Inc. as of December 31, 2018 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter - COVID-19

As more fully described in Note 12 to the financial statements, Priests for Life, Inc. may be negatively impacted by the outbreak of the coronavirus (COVID-19), which was declared a global pandemic by the World Health Organization in March 2020. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude the pandemic will have on Priests for Life, Inc.'s financial condition, liquidity and future results of operations. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2018

NOTE 1 ORGANIZATION AND PURPOSE

Priests for Life, Inc. was originally formed on December 21, 1990 exclusively for charitable and education purposes, in order to end abortion in the United States. More specifically, Priests for Life, Inc. was formed to educate, support and encourage Roman Catholic clergy in their teaching about the intrinsic value of each and every human life, and to assist them in the role of preaching about the protection of human life from abortion and euthanasia, in the context of a consistent ethic of life. Priests for Life, Inc. also functions in a spirit of ecumenical and inter-religious collaboration, willingly assisting clergy and laity of all religions in their efforts to defend human life.

Priests for Life, Inc. is supported primarily through donor contributions.

Effective October 25, 2017, Priests for Life, Inc. moved its operations from Staten Island, New York to Titusville, Florida.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

Priests for Life, Inc. prepares its financial statements in accordance with accounting principles generally accepted in the United States of America, which involves the application of accrual basis accounting. Consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Basis of Presentation:

Priests for Life, Inc. reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets Without Donor Restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of Priests for Life, Inc. These net assets may be used at the discretion of Priests for Life Inc.'s Management and Board of Directors.

Net Assets With Donor Restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Priests for Life, Inc. or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in the perpetuity.

PRIESTS FOR LIFE, INC.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2018

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Public Support and Revenue:

Contributions are recognized when the donor makes a promise to give that is, in substance, unconditional. Unconditional promises to give due in the next year are reflected as current promises to give and are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reflected as long-term promises to give and are recorded at the present value of their net realizable value, using risk-free interest rates applicable to years in which the promises are received to discount the amounts. Conditional promises to give are recognized when the conditions on which they are dependent are substantially satisfied.

Contributions received are recorded as increases in net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions.

Contributions that are restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire in the reporting period in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets are released from restrictions.

Dividend and interest income on investments are recognized when earned.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents:

Priests for life, Inc. considers all short-term investments purchased with a maturity of three (3) months or less to be cash equivalents.

YEAR ENDED DECEMBER 31, 2018

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments:

Investments in marketable securities with readily determinable fair values are reported at fair value based on quoted market prices for identical securities in active markets. Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statement of activities as an increase or decrease in unrestricted net assets unless the income or loss is restricted by donor or law.

Fair Value Measurements:

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards set a framework for measuring fair value using a three-tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or inputs (interest rates, currency exchange rates, commodity rates and yield curves) that are observable or corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Inputs that are not observable in the market and reflect management's judgement about the assumptions that market participants would use in pricing the asset or liability. (See also Note 3).

Artwork - Religious Articles:

Priests for Life, Inc. capitalizes its artwork of religious articles. Accessions are capitalized at cost if purchased and at appraised or fair value at date of accession if received by donation. In accordance with FASB ASC 360-958, "Recognition of Depreciation by Not-for-profit Organizations," (formerly Financial Accounting Standards (SFAS) No. 93), Priests for Life, Inc. has not recorded depreciation on its artwork of religious articles.

PRIESTS FOR LIFE, INC.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2018

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property & Equipment:

Acquisitions of property and equipment in excess of \$1,000 are capitalized and recorded at cost. Donated assets are recorded at fair value at the date of donation. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets.

Donated Services:

No amounts have been reflected in the accompanying financial statements for donated services. Priests for Life, Inc. generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist Priests for Life, Inc. with specific programs, campaign solicitations and various committee assignments.

Functional Allocation of Expenses:

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Priests for Life, Inc. allocates certain expenses based on specific identification. Allocation of remaining expenses to program services, management and general and fundraising are based on activity as determined by Management.

Income Taxes:

Priests for Life, Inc. is exempt from Federal income taxes under Section 501 (c) (3) of the Internal Revenue Code and, therefore, has made no provision for Federal income taxes in the accompanying financial statements. In addition, Priests for Life, Inc. qualifies for the charitable contribution deduction under Section 170(b) (1) (A) (vi) and has been determined by the Internal Revenue Service not to be "private foundation" within the meaning of Section 509(a) (1) of the Internal Revenue Code.

Priests for Life, Inc. regularly reviews and evaluates its tax positions taken in previously filed information returns with regards to issues affecting its tax-exempt status, unrelated business income and other related matters. All significant tax positions have been considered by Management. It has been determined that it is more likely than not that all tax positions previously taken would be sustained upon examination by a taxing authority.

PRIESTS FOR LIFE, INC.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2018

NOTE 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Accordingly, Priests for Life, Inc. has concluded that no tax benefits or liabilities are required to be recognized in the accompanying financial statements.

Priests for Life, Inc. files Federal Form 990, "Return of Organization Exempt from Income Taxes," which is an information return and is subject to examination by the Internal Revenue Services ("IRS") generally for three (3) years after the return is filed.

As of the report date, Federal Form 990 for the years ended December 31, 2015 through 2017 are open to examination by the IRS. No returns are currently under examination by the IRS.

New Accounting Pronouncement:

On August 18, 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Update ("ASU") No. 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for Profit Entities* (ASU 2016-14). This Update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return between not-for-profits entities.

A key change required by ASU 2016-14 is the net asset classes used in these financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without donor restrictions and amounts previously reported as temporarily restricted net assets and permanently restricted net assets are now reported as net assets with donor restrictions. A footnote on liquidity has also been added. (See Note 11).

The accompanying financial statements conform in presentation and disclosure requirements of ASU 2016-14.

Date of Management's Review:

Priests for Life, Inc.'s management has evaluated events and transactions for potential recognition or disclosure in the accompanying financial statements through August 31, 2021, the date these financial statements were available to be issued. (See also Note 12).

PRIESTS FOR LIFE, INC.
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2018

NOTE 3 **INVESTMENTS**

Investments are reported at fair value based upon quoted market values. On December 31, 2018, investments are comprised of:

Mutual Funds	\$ 2,203
Money Market	<u>4,814</u>
	<u><u>\$ 7,017</u></u>

Investment income for the year ended December 31, 2018 is comprised of:

Interest, dividends and other investment income	\$ 5,457
Total net realized and unrealized gains (losses) on investments	<u>238</u>
	<u><u>\$ 5,695</u></u>

Generally accepted accounting principles include a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

On December 31, 2018, the fair values of investments are based on Level 1 measurements.

NOTE 4 **PLEDGES RECEIVABLE**

As of December 31, 2018, pledges receivable consists of unconditional promises to give by individual donors for the period through December 31, 2019 and total \$1,021,000.

NOTE 12 **SUBSEQUENT EVENTS**

COVID-19

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on Priests for Life, Inc.'s financial condition, liquidity, and future results of operations.

Priests for Life, Inc.'s operations are heavily dependent on private and public donations from individuals, foundations, and corporations. The outbreak may have a continued adverse impact on economic and market conditions, triggering a period of global, national and regional economic slowdown. This situation is expected to depress donations during future calendar years. As such, this may hinder Priests for Life, Inc.'s ability to advance its mission. It may also require Priests for Life, Inc. to

NOTE 12 **SUBSEQUENT EVENTS (Continued)**

consider debt restructuring. As such, Priests for Life, Inc.'s financial condition and liquidity may be negatively impacted in future calendar years.

Paycheck Protection Program (“PPP”) Loan

On March 27, 2020, President Trump signed the Coronavirus Aid, Relief and Economic Security (the “CARES Act”), which, outlines the provisions of the Paycheck Protection Program (the “PPP”). Priests for Life determined that it met the criteria to be eligible to obtain a loan under the PPP because, in light of COVID-19 outbreak and the uncertainty of related economic conditions, the loan was necessary to support Priests for Life, Inc.'s ongoing operations. On April 30, 2020, Priests for Life, Inc. was able to obtain a U.S. Small Business Administration loan in an amount equal to the average of the Company's monthly payroll costs (as defined under the PPP) for calendar 2019 multiplied by 2.5 months (approximately 10 weeks of payroll costs). Section 1106 of the CARES Act contains provisions for the forgiveness of all or a portion of a PPP loan, subject to the satisfaction of certain requirements. The amount eligible for forgiveness is, subject to certain limitations, the sum of the organization's payroll costs, rent and utilities paid during the eight-week period beginning on the funding date of the PPP loan.

Subsequently, on June 2, 2021, Priests for Life, Inc. was notified by the SBA that the entire PPP loan proceeds of \$443,837 and accrued interest of \$4,779 had been forgiven.
